Signatories to Bio-diversity Convention

1300. SHRIMATI VEENA VERMA: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether India and several other countries have signed the bio-diversity convention at Rio-Janeiro during the UNCED in June this year;

(b) if so, the other countries which have signed the Convention; and

(c) what were the main concerns of the United States and other developed countries in signing the treaty and what was the outcome of the disscussions held *to* resolve the issue?

THE MINISTER OF STATE •OF THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI KAMAL NATH): (a) to (c) 157 countries, including India, signed the Convention on Biological Diversity at the United Nations Conference on Environment and Development held at Rio De Janeiro in June 1992. The list of signatories is given in the statement. *(See* below). The United States of America did not sign ithe Convention on Biological Diversity At Rio de Janelro and expressed the view that the agreement treatens toretard bio technology and undermine the protection of klesas and unlike the claimate agreement its financing scheme would not work
